AXA Real Estate appoints Atisreal to represent the prestigious Hurricane development

May 22, 2008

AXA Real Estate at Redhouse Interchange in Doncaster is pleased to appoint Atisreal, a national commercial property consultant, to let or sell Doncaster's most viable industrial unit called Hurricane.

Comprised of many attractive features, including 206 car parking spaces, a 14 metre clear headroom, a two-story office element, and various racking layouts, Hurricane is the ideal industrial development. Hurricane can easily accommodate a spacious warehouse and ground and first floor offices measuring at approximately 263, 806 square feet.

Hurricane is conveniently located just seven miles north of Doncaster town centre. The industrial unit is also easily accessible from the A638 Doncaster to Wakefield Road with direct access to Junction 38 on the A1(M) Doncaster.

"Hurricane is the ideal development and Atisreal is proud to be given the opportunity to place it on the real estate market. I am confident that Hurricane will be of great interest to our clients," says Nick Smith, Associate Director of Atisreal.

For more information about Hurricane or to make an appointment for viewing, please visit www.atisreal.co.uk or call 0114 241 2222.
